METHOD OF SELECTION

The jury reviews all images of works submitted. None, either or both of submitted work may be selected for exhibition.

The jury will also select artwork to be awarded prizes. Prizes for 1st (\$1500), 2nd (\$1000) and 3rd (\$500) place will be given to the selected winners.

ACCEPTANCE

Selection is by the jury only. The decisions of the jury are final. Artist will be notified by **Thursday, September 21, 2023**, if work has been selected for Art Party.

Once the artwork is accepted, the entry may not be sold or substituted by another work.

VENUE

After being informed of acceptance, the artist will be informed of the Venue location to deliver their accepted artwork.

Artists & Venues will be paired by Friday Arts Project.

To confirm your participation, you'll sign an Artist and Venue Hosting Agreement that we will send to you.

Artist and Venue Hosting Agreement must be completed by **Wednesday, October 4, 2023** and emailed to artparty@fridayartsproject.org

Artwork may be moved to another Venue at the discretion of Friday Arts Project.

DELIVERY OF WORK - The artists is responsible for transportation and cost of transportation of the accepted artwork to, and removal of the artwork from, the Venue location. Artwork must be delivered no later than **Saturday, October 21 (5PM)**

Installation Art that has been accepted must be delivered, installed and removed by the artist by making an appointment with the Venue.

Except for installation artists (see above), Artists are not required to install their work. Our team will be installing the artwork at each of the approved, selected Venues.

REMOVAL OF WORK - All removals must be initiated and coordinated by the Artist with designated Venue. Artwork must be available for viewing through the Art Party Event—Studio & Gallery Stroll—**Saturday, November 18 (6PM)**. Artwork needs to be removed no later than **Tuesday, November 21, 2023 (5PM)**.

LOGISTICS

Venue is responsible for processing payment for the artwork and for collecting, reporting, and remitting applicable state and local sales taxes—unless Venue is a non-profit organization. Sales and other taxes will be collected at the time of the sales transaction at for-profit Venues, but sales tax will be the responsibility of the Artist if Venue is a non-profit. Artist will be informed of type of Venue—whether for-profit or non-profit. Venue may retain 30% of the sales price, less applicable taxes. Artist will receive payment of the remaining 70% of the sales

CATEGORIES

CLAY

Three-dimensional clay and porcelain work created by the artist. Jewelry is not included in this category. May not be machine-made or mass-produced.

DIGITAL ART

Two-dimensional work created by the artist using computer technologies (no AI generated artwork). May include scanned images, from the artist or other sources that have been non-trivially modified through the use of computer programs. Work must be printed with archival quality materials and properly signed and numbered as a limited edition no greater than 250.

DRAWINGS & PASTELS

Two-dimensional works created by the artist using dry media including chalk, charcoal, pastels, pencils, wax crayon, or from the fluid medium of inks and washes, applied by pen or brush. Work must be created with archival quality materials and properly signed.

FIBER

Three-dimensional work, wearable and non-wearable, created from fibrous materials. This category includes but is not limited to baskets, books, embroidery, paper, quilts, weavings, felting, etc. All work must be designed and created by the artist. No commercial or mass production works are permitted, regardless of additional modifications or enhancement by the artist.

GLASS

Three-dimensional work created by the artist in glass. No molds or other forms of mass production are permitted.

INSTALLATION ART

Three-dimensional large-scale, mixed-media constructions, designed for a specific place or for a temporary period of time.

JEWELRY

Jewelry created by the artist without the use of commercial casts, molds, kits or a production studio, regardless of medium.

LEATHER

Three-dimensional handmade work created with leather by the artist.

METAL

Three-dimensional artwork created by the artist through the forging, twisting and fabricating of various metals.

MIXED MEDIA - 2D

Two-dimensional, one-of-a-kind works created by the artist in which the primary intent is the union of two (2) or more physical materials.

MIXED MEDIA - 3D

Three-dimensional, one-of-a-kind works created by the artist in which the primary intent is the union of two (2) or more physical materials.

PAINTING

Two-dimensional work created by the artist with pigment including oils and acrylics, as well as egg tempera, casein, alkyd, encaustic, and watercolor. Work must be created with archival quality materials and properly signed.

PHOTOGRAPHY

Two-dimensional work created by the artist that includes digital and film photography that has not been manipulated to achieve results beyond what could be produced in a traditional dark room. Hand-colored photography and emulsion transfers are accepted in this category. Only the artist's original source material is acceptable. Work must be printed by the artist or under the artist's supervision in limited editions no greater than 250, properly signed and numbered on archival material. Signage of an overtly commercial nature listing the availability of numerous sizes, print surfaces and/or framing options is prohibited.

PRINTMAKING

Two-dimensional printmaking is a transfer process of producing original art, usually in multiples. Printed original works are hand manipulated by the artist using etching, engraving, silk-screening, stone and plate lithography, linoleum block or woodcut, etc., which have been properly signed and numbered as a limited edition no greater than 250 using archival quality materials.

SCULPTURE

Three-dimensional work created by the artist primarily in a single medium such

as shaping figures or a design in the round or in relief, by chiseling marble, modeling clay, casting metal or other materials. No forms of commercial or mass-produced or enhanced items not made by the artist are permitted.

WOOD

Three-dimensional work created by the artist that is hand-tooled, machine-worked, built-up, turned or carved in wood.
